

2020/11

FOCKE ACADEMY | SPECIAL COURSES

# ONLINE TRAINING

**TARGET GROUPS**  Electricians, Mechanics

**DURATION**  max. 5 hours a day (including 2 x 30 minutes break)

**LOCATION**  virtual classroom by using MS Teams (license free software)

**GROUP SIZE**  recommended max. 5 participants

**LANGUAGE**  English or German, for other language customer needs to provide an interpreter

**COURSE OBJECTIVES**  The main emphasis of the online training is to provide your production staff with selected information on particular FOCKE & CO technologies. The target is to transfer knowhow to your staff and enable them to operate and maintain the Focke & Co. equipment effectively and efficiently to your satisfaction. A follow up training completed by practical lessons should be added after travel restriction have been released.

**COURSE CONTENTS**  Focke & Co. is flexible to adopt the training to your individual needs. Let us know your request to customize the scope and create a proposal for you.
